

Collaborative Practice and Interprofessional Education

Transforming the Landscape of Healthcare - *Ohomairangi te Hauora Manaaki*

ATBH IX Pre-Conference Workshop

Title: Influencing Change: Developing a mosaic of skills, frameworks and artefacts to support interprofessional working

Introduction:

In this workshop participants can anticipate working together to generate a comprehensive collection of resources that can be sorted, ordered and organised in various designs to drive change and support sustainable interprofessional practices in multiple contexts. Participants can expect active learning opportunities, hands on experiences, reflections, discussions and some real cutting and pasting.
